YOUTH ON ASSAULT CHARGE

An 18-year-old Altona youth has been found guilty of unlawful assault and fined £10 in default 14 days imprisonment by the Magistrate at Williams Court.

Robert John Trembath, who pleaded not guilty, was charged with unlawfully assaulting Alexander Kawalski at Newport on January 28.

Alexander Kawalski, carpenter, of 10 Shamrock Street Surrey Hills, said after work on January 28 he went to a hotel in Newport at 5.50 p.m. to buy two bottles of beer. He did not know the name of the hotel but it was by the station. After buying the bottles he went into the main bar for a drink. A tall boy in there was arguing with him and somebody pushed him from behind, spilling his beer.

There were a number of youths who became abusive when he spilt his beer. While talking to the tall boy, who seemed to mistake him for someone else, the defendant came up. As he went to the bar to go home defendant took his hands out of his pocket and hit him very hard in the face. Kawalski rang for the police.

He had a big cut under his eye which required stitching and it cost him £26 to repair his dentures.

In reply to Mr. Myall, who represented the defendant, he said it was the defendant who pushed him from behind.

A witness, Edward John Marion, was asked to stand up, and Kawalski said it was not him as he had never seen him before. If he was at the hotel he did not see him and he was not the tall boy he referred to. He said he never at any time complained about Australia or about trouble in finding jobs. He is a naturalised Australian and very proud of the country. He has never been out of a job since he came here. Nobody told him to go back to his own country and there was no discussion about it.

He said he was hit on the right side of the face by the defendant's right hand. He did not strike at any boy in the hotel.

In the witness box Const. W. Peasnell, of Newport, said he went to the Junction Hotel at 6.15 p.m. and saw Kawalski outside with a cut eye and blood on his face. Defendant came over as well as a number of other youths. He asked defendant if he had assaulted the witness, and Trembath said, "Yes, I hit him all right." The other youths began shouting and arguing and jostling Kawalski, so he took him to the police station.

Shortly after defendant was there with another youth and appeared to be in a semi-drunken condition, his breath smelling strongly of liquor. Const. Peasnell reported saying to defendant, "You admitted assaulting the witness, is that right?" Trembath replied, "Yes, I hit him once in the face." Asked why, he said, "That New Australian hit my mate so I gave him one."

While at the police station Trembath was twice violently ill on the floor.

In reply to Mr. Myall, he said Trembath did say his friend was unable to protect himself as he had a bad hand. He saw Marion at the hotel, there were about a dozen youths altogether.

Giving evidence, Edward John Marion, apprentice butcher, of 11 Queen Street, Seaholme, said he was at the hotel with Robert Trembath. They were on their own. He had cut a tendon in his hand and it was in plaster

for about two months. Kawalski was running down the country and saying how hard it was to get a job, and he told him to move on. He stopped for awhile, then started again, so he told him to shove off. Kawalski then took a swing at him and Trembath "clobbered" him. The swing got him in the ribs. Trembath told the witness to go back to his own country.

Robert Trembath said in the witness box he arrived at the hotel with Marion about 5 p.m. He knew his mate had a bad hand, and told Kawalski to go back to his own country if he didn't like it here. He hit him because he knew Marion could not fight without injuring his hand. He went to the police station because he thought he was in the right and did not want to get into trouble. In reply to the Police Prosecutor, he said he didn't think he had much to drink, the fight upset him, probably making him sick at the police station.

Mr. P. J. O'Connor, S.M., stated he considered Trembath had told a pack of lies and perjured himself, and also his mate. It was very difficult to be asked by Mr. Myall to give mercy to him. As well as fining him £10 Mr. O'Connor ordered him to pay £2/15/4 costs.

SEWERAGE

The Board of Works has completed sewerage construction as planned in East Altona.

In order to keep the Board at work in this shire Cr. Cooper asked that a letter be sent to the Board requesting them to call tenders for further construction work in this area.

Cr. J. J. Ginifer, Commissioner for the Board of Works, pointed out that as the plans for major sewerage works in Altona concern Altona North and Altona proper we should make sure work is carried on in Altona East.

Council agreed to send the letter and asked Cr. Ginifer to follow it up.

WATER SUPPLY EXTENSIONS

The Board of Works has approved the following extensions of water supply reticulation in the Shire of Altona, reported Cr. J. J. Ginifer at the last council meeting.

Third Avenue, from Marion Street to May Street;

Marion Street, from Second Avenue, westward 31 chains.

Subject to the substantial commencement of three additional houses (making 20 in all) on the line of the proposed main.

Linnett Street, from Seagull Avenue to Emu Avenue, subject to the substantial commencement of one additional house (making five in all) on the line of the proposed main.

TREES PLANTED

Eucalypts of various varieties have been planted along the northern boundary of Grant Reserve for beautification purposes and to serve as a windbreak.

Rotary Community Service

Members of the Community Service Committee of the Rotary Club of Altona are providing transport to and from the Elderly Citizens' Centre for the infirm members of the Elderly Citizens Club. Pictured above are the two Rotarians rostered for service last Tuesday with Elderly Citizens Club members they had transported to the Centre. Standing (left to right): Mr. B. Prismall (manager, Elderly Citizens' Club), Mrs. Weiland, Mr. H. Kim (Rotary), Mrs. Edwards, Mrs. O'Sullivan and Mr. K. Kim (Rotary). Seated is Mrs. Ball. (Photo by Barry Sutton—65-6017.)

Millers Rd. Difficulty

In a letter to the Altona Shire Council the Western Industries Association stated that for a number of years the association has been interested in the development of the western suburbs of Melbourne as its membership comprises the industrial establishments located in these areas.

At a recent meeting of this association it was pointed out that members in the Millers Road area are repeatedly inconvenienced by the dislocation of services due to the piece meal method being used in carrying out the widening of this exceptionally busy road.

They acknowledged that the widening of this road is a major project and that there are a number of authorities involved but the effect to industry of the repeated dislocation of services is not to be overlooked.

The association requested a statement from council concerning the future plans for the completion of the work and in view of the fact that there are many hundreds of children who ride bicycles being accommodated in the schools in Millers Road whether any consideration has been given to the construction of a bicycle track.

At the last meeting of the council it was decided to notify the association of the following comments of the Shire Engineer, Mr. R. C. Simmons—

"In the widening of Millers Road it is necessary to relocate water services and electricity services on the west side. The P.M.G. has laid telephone cables in the correct alignment on the west side and the next public authority to undertake works will be the Board of Works when it lays a main drain. A slight dislocation will be felt at times but interruptions from now on should be a minimum. Regarding construction of the road the speed at which such will be

made will depend on the availability of funds. "Some time ago the council gave consideration to the construction of a bicycle track but no solution could be found in view of the fact that the road is 99 feet wide and such will be soon duplicated with a central median strip."

oOo

RAILWAY BRIDGE FOR SWAMP OUTFALL DRAIN

On Monday the Railway Department commenced digging the buttress foundations for the bridge which will raise the railway line at Seaholme where it crosses the proposed outfall drain from the Cherry Swamp, known as Lake Seaholme.

The outfall drain will run parallel to Cambridge Street and go under the railway line for which a three span bridge is being constructed. It will then be necessary for the council to raise the level of Beach Road and also build a bridge and the Board of Works will then excavate a section through Cresser Reserve adjacent to the Working Men's Club site.

Bus Stop to Stay

A request by a resident for removal of a bus stop outside his home to another position was refused by the Altona Shire Council.

Mr. J. Kennedy, of 135 Blyth Street, Altona, said the bus stop outside his home aggravates entry to his property and causes parking inconvenience to visitors who call on him in his professional capacity. He suggested it be moved opposite a nearby vacant lot.

Cr. H. W. Lee recommended that the request be not granted as the bus must stop somewhere. He said council cannot take it off one and push it on another, and there are no buses after 7 p.m.

"If we move a bus stop to suit one person we will be inundated with requests by others," said Cr. V. Hearn. "Besides," he said, "someone may already have plans for building on the vacant land."

The council agreed that the request not be granted.

EDITORIAL

ROTARY

Rotary was founded in 1905. From that date it has grown continuously. It is now well established in the six continents.

Such progress is due to several factors. It has high ideals, these ideals have been put into practice. It has filled a need.

The basic principle of Rotary might be summed up in the concept that business relations should foster friendly relations. The idea has been extended to cover four areas of service, i.e.: Community, International, Vocational and Club.

Rotary is non-political, but good citizenship and all that implies is required of Rotarians.

It has no direct religious association, but its members are expected to be faithful to their religion.

The founding of the local chapter will certainly be of benefit to Altona. As members of a world wide organization, opportunities for international service and interest are now available. We will benefit from the widened outlook of its members.

In local communities Rotary has done much in community and vocational service.

Rotary has been in Altona but for some months. We feel that its members to this time have been engaged in fostering that part of its aim—

"The development of acquaintance as an opportunity for service."

This initial year is a formulative one, where ideas of service will be developed. We are confident that those ideas will come to fruition in a manner worthy of Rotary

Letters TO THE EDITOR

Der Sir,

At the time of writing there are two channels running across Millers Road, which in the aggregate must do many pounds worth of damage a day to car tyres.

These channels are the result of unnecessary excavations across the road for pipe laying. They are left loosely filled for generally a week for the motorist to do what the pipe laying people should do, that is, consolidate the back fill.

I said they were unneces-

sary excavations because there is equipment available nowadays to put piping under roadways without breaking the surface of the road.

I would say that Millers Road has been opened up 18 or 20 times, to say nothing of Blackshaws Road (a particularly nasty one a couple of weeks ago) and other roads in the shire.

I recently discarded a tyre after about 2000 miles and blame these "tyre busters" for the damage.

—MOTORIST.

ALTONA WEST PRIMARY SCHOOL SWIMMING CERTIFICATES

The following children from Altona West Primary School gained swimming certificates during the past season—

Senior.—Hilja Toom.
Junior.—Marianne Pielage, Yvonne Mullen, Sabine Strohl, Edward Kaye, Ronald Pearce, Colin Patterson, Roger Hayes, Graham McKinnon, Lyndsey Smith, Janet Wigglesworth, Mimi Pollino, Steven Showell, Paul Martin, Nola Kaye and Martin deNeef.

Herald Certificates.—Joan van Dyk, Janice Thorogood, Zdenka Munchan, George Bill, Thomas Mochon, Ronald Pearce, Carol Groombridge, Valerie Onken, Ursula Strohl, Yvonne Peachey, Lee Findlay, Stephen Grainger, Keith Lockwood, Harry van Dyk, Colin Patterson, Patricia McCullagh, Kerry Thyer, Ronald Roest, Stephen Dunford, Garry Keane, Ivan Munchan, Raymond Carroll, Dieter Greinfeller, Nola Kaye, Ann Wigglesworth, Carolyn Dawson, Martin de Neef, Ken Irvine, and Peter van Rangel-rooy.

MR. RIDGE RESUMES

Mr. Norman Ridge, a well-known Altona resident, resumed teaching duties at Seaholme Primary School on Wednesday, April 24, after a 12 months absence, caused by a serious car accident.

He took up a temporary position in charge of Grade IV, at Braybrook school, on Monday, April 29.

We wish him good luck for the future.

ALTONA EAST STATE SCHOOL SWIMMING CERTIFICATES

The following children gained swimming certificates during lessons at the Williamstown Baths this year. Teachers were very pleased at the high percentage of children who went swimming and gained certificates—

Senior.—Jennifer Leischester, Chris O'Brien, Joe Salvo, Gary Hartmann, Graeme Berry, Zlatko Solomun, Paivi Sakala, Harold Wenning and Donald Ray.

Junior.—Trudy Walton, Joe Salvo, Sheryl Ryan, Sharon McMinn, Chris O'Brien, Arto Sakala, Phillip Hallis, Theo Haass, Delphi Florentini, Rudy Seitz, Manfred Licht, Bernard Ryan, John Cleghorn, Graeme Berry, Wolfgang Kinder, Alan Bartlett, Zlatko Solomun, Alak Grovios, Christina Jekic, Juanita Platten, Dianne Heazlewood, Terry Welgus and Dianne Findlay.

Herald.—Phillip Hayes, Alan Bartlett, Rainer Schroeder, Dick Krivushenko, John Platten, Darryl Stewart, John Cleghorn, Kevin Harfield, Alak Straubinger, Ann McAulay, Shirley Geisler, Trudy Walton, Doreen Harfield, Miska Folkner, Rhonda Brook, Sharon Smith, Melita Goschinski, Judith Ayton, Rhonda Christie, Marie Ciciksz, Cara Williams, Christina Jekic, Stephanie Wujow, Barbara Rus, Jeanette O'Bryan, Doreen Bark, Maria Jekic, Maur-een Barnes and Allison Dick.

436 In Youth March Church Notices

Commonwealth Youth Sunday was observed in Altona with an impressive and colourful parade of members of the many Youth Organizations of the district, including contingents from the churches and schools. Four hundred and thirty-six was the count as the march, which had been led down Pier Street by the Williamstown City Band, wheeled in to Logan Reserve past the dais where the salute was taken by Cr. G. den Dulk, who was substituting for the shire president.

Present on the dais were Cr. G. den Dulk and Mrs. den Dulk, Cr. V. L. Hearn, Mr. J. W. Waters, shire secretary, and Mrs. Waters, Rev. R. J. Reynolds, Rev. W. Moriarty and Mrs. Moriarty, Mr. J. Baillie, Capt. Corby, Lt. B. A. Lynn, Deaconess L. Davey, Mr. W. J. Storey, headteacher, Altona High School, who was guest speaker and Misses Robyn Saunders and Ruth Newnham, and Senior Scout Roger Carruthers were also on the dais.

The service was conducted by the church leaders and hymns were sung to taped music which had been provided by the R.A.A.F. Central Band under the direction of Squadron Leader Hicks.

Mr. Storey in his address to the assembly which comprised a large portion of adults in addition to the marchers, stressed the need for community effort and the observance of fundamental rules which had been developed for the good of the Nation.

Miss Robyn Saunders, of Altona High School, read the Queen's Vow that Queen Elizabeth made on her 21st birthday.

Miss Ruth Newnham read the Queen's Reply to the Message of Loyalty, which had been prepared by pupils of Bon Beach High School. The Message of Loyalty was read by Senior Scout Roger Carruthers.

Cr. den Dulk expressed the thanks of the president and councillors to all who had participated in the march, and to the church leaders who conducted the function.

The function was held in the open air, notwithstanding the coldness of the day, although arrangements had been made for the observance to be conducted inside the Methodist Youth Hall had the weather been inclement.

COMMONWEALTH DAY MESSAGES READ

The Message of Loyalty submitted to Her Majesty The Queen was chosen by His Excellency the Governor-General from messages received, and was prepared by a pupil of Bonbeach High School, Carrum. It was read by Senior Scout Roger Carruthers, and is as follows—

Your Majesty, we the future citizens of Australia, pledge

our love, loyalty and obedience to you, our Sovereign. We firmly believe that the Commonwealth is strong in ties of comradeship, trust and unselfishness. These bonds have carried us through past crises; they will not fall now and we, in turn, will not fail the Commonwealth and our Queen. Long may she reign."

Her Majesty has been graciously pleased to send to His Excellency the Governor-General of Australia, the following message in reply, which was read by Ruth Newnham—

"I was delighted to receive a message from the young people of Australia and the Australian Territories on the occasion of the celebration in Australia of British Commonwealth Youth Sunday. "Please tell all who joined in it how greatly I value their loyalty and affection. The future of the Commonwealth is in their hands and from what I saw of them in Australia early this year, I am confident that they will be worthy of that trust."

ELIZABETH R."

The Queen's Vow, made on her 21st birthday, was read by Robyn Saunders—

"I declare before you all that my whole life, whether it be long or short, shall be devoted to your service, and the service of our great Imperial Family, to which we all belong. But I shall not have the strength to carry out this resolution alone unless you join with me, as I now invite you to do. I know that your support will be unfailingly given—God help me to make good my vow, and God bless all of you who are willing to share it with me."

"I ask you all . . . to pray for me . . . that God may give me wisdom and strength to carry out the solemn promise."

THE DUST STILL BLOWS

"Dust from their own property was a bigger nuisance than dust from the road," was the opinion expressed by Cr. G. S. den Dulk at the last Altona Shire Council Meeting.

He was referring to the complaint from Australian Packaging Industries regarding dust blowing from McArthurs Road into their factory.

Cr. den Dulk said he inspected the area and considered the factory car park, which is inside the firm's area, would cause more dust than the unsettled road, which is the same as any unsealed road.

At a previous council meeting doubts as to the state of the factory building had been raised if dust was able to penetrate the building so easily.

But Cr. den Dulk said although he did not inspect the interior of the factory, from the outside it appeared to be substantially constructed.

Finally he said he felt the firm could improve the dust problem by sealing the grounds around the factory.

Also presented at the meeting was a petition from 11 residents on the north side of McArthurs Road, advising council that quarry dust does not cause the dust nuisance, but rather the heavy traffic which continually uses the road.

"Dust causes discomfort and is unhealthy," they said. (Previously councillors had suggested the dust may come from quarry trucks using the road.)

ALTONA HISTORICAL SOCIETY

The next meeting of the Altona Historical Society will be held in No. 1 Committee room, Queen Street, Altona, on Wednesday, May 15, at 8 p.m. The society hopes to see many new faces at this meeting.

THOUGHT FOR THE WEEK

This doctrine of the Cross is sheer folly to those on their way to ruin, but to us who are on the way to salvation it is the power of God. 1 Cor. 1:18.

CATHOLIC PRIMARY SCHOOL SPORTS

At Sunshine on April 28 the Soccer Association ran a lightning premiership for the Catholic Primary Schools Association.

Before the game started six senior umpires and the Victorian coach gave the boys a demonstration of the rules of the game. After a keenly contested series Ardeer won the championship.

They were presented with the Joiner Cup, kindly donated by Mr. Joiner, secretary of the Junior Soccer Association of Victoria, for annual competition.

Mr. Harvey, chairman of the Junior Soccer Association of Victoria, thanked all present for their patronage and congratulated the winners. said the aims of the Soccer Association were not to place Australian Rules in schools, but to give the boys who miss out on the local game and those who desire to play Soccer a chance of participating in a well conducted sport.

There is plenty of room for both games to run side by side and each can learn from the other.

At the conclusion of games afternoon tea served and films of international games were shown.

The Social Whirl

If you have any news of a birthday, engagement, wedding, or social event, it can be included in these pages. Phone 65-8880—there is no charge.

ELDERLY CITIZENS SOCIAL CLUB

The last outing of the club was a 48 hours glorious weekend at Warburton. The sunshine denied Altona considered them with utmost regard.

Mrs. Woodyard and her "adventurers" were highly delighted. For the many kindnesses extended them by Mr. Calderwood, Mr. Mills and the proprietors of the guest house the club expresses since appreciation.

On Wednesday evening of last week only a few members owing to the lack of transport, were able to enjoy the birthday party of the Church of England Ladies Guild.

One unhappy event was the resignation of Mrs. Milner as secretary and as a member of the committee. Mrs. Milner was elected secretary when the club was formed in early 1961 and since then her capable and devoted services have been such that one cannot adequately express the value of her work.

STREET STALL

The streets stall ran by the Altona High School Mothers' Club last week raised £17 towards club funds.

Mrs. Sloan won the sponge cake competition and Mrs. Rice the twin set.

APEX 50th. DINNER

A good night was had by all at the combined Apex meeting and ladies night at the Central Hotel last Monday night.

Some of the members fined for "misdemeanours" were—

Ian Herbert for having a "hue it yourself kit in his shop window" (a bottle of hair dye).

Max Kidd for offending with his pipe, "As you smoke so shall you reek."

Bob Spruijt for mistaking Astronauts for Astrons.

Harry Weaver for driving unreliable trucks, and Geoff O'Connor for breakfasting in bed every morning—Geoff, it is MOTHER'S Day this Sunday.

It was noticed during the night—

Harry Weaver developing a desire for ladies shoes.

Geoff O'Connor sang with the band, but why wouldn't he sing into the mike?

Sue Nette letting herself go in the Charleston.

Norm Trickey mistaking the twist for the Olympic Games Walking Marathon.

A Bank Accountant insisting on doing the powerhouse with his different partners.

Ron Wilson being hard put to keep up with Beryl Brown in the "Limbo Rock."

Questions asked were—

Is Bruce Hornebuckle afraid of losing weight?—he had tea before going to the dinner!

Why is Peggy Jobling not keen on visitors on Friday night?

What was BEHIND the story of Harry Weaver and the blonde in the lift?

Why do Noel and Kate Anthony regard the twist as a corroborator?

Ian Wallace has sworn off the "Limbo Rock" for life—for some unknown reason the muscles in his legs will not allow him to walk properly.

Some folk find it hard to get a baby sitter for their children—one couple found it harder still to get a sitter for their taxis.

MARRIED LAST SATURDAY

After their wedding last Saturday at St. Luke's Church of England, Yarraville, Mr. Albin Lucas and his bride, formerly Miss Lynne Palmer, are spending their honeymoon at Bright.

The bride is the only daughter of Mr. and Mrs. J. H. Palmer, 8 Bell Avenue, Altona, and the bridegroom is the eldest son of Mr. and Mrs. M. Lucas, of Sunshine.

A gown of white brocade was worn by the bride and her waist length veil was held in place with a flower.

Her bouquet consisted of orchids, frangipani, gardenias and tub roses.

Betty Johnson was bridesmaid and Vera Lucas, sister of the bridegroom, was the flowergirl. They wore blue taffeta frocks and carried delphiniums.

The mother of the bride wore a frock of bone brocade patterned with black and yellow flowers, a green hat with feather trim and black accessories.

A brown woollen frock with a white hat and stole and black accessories was worn by the mother of the bridegroom.

After the ceremony 80 guests were entertained in the Masonic Hall, Yarraville, and while the telegrams were being read out the bride was thrilled to hear one was from her grandparents in England.

R.A.A.F. BAND TO PLAY

The R.A.A.F. Central Concert Band under the direction of S/Ldr. Hicks O.B.E., is giving a concert in aid of the Laverton Girl Guides Building Fund.

Television commitments have kept this renowned band very busy and the program planned for this concert is up to their usual excellent standard.

It will be held in the RAAF Cinema, Laverton, on May 29, at 8 p.m. Admission fee is 4/- adults, 2/- children.

GOLDEN WEDDING

BINNS (nee Goodship).—Congratulations to Mum and Dad on your 50th wedding anniversary. Married May 10, 1913, Bradford, Yorkshire, England.—Love from daughters Irene and Dorothy and families.

FASHION PARADE

Metropolitan Fashion Promotions will be holding a parade in the Altona Youth Hall, Civic Parade, Altona, on Tuesday, May 14, at 1.45 p.m. Proceeds from the afternoon will go towards the funds of the Altona High School Mothers' Club.

A donation of 3/- will be asked, and afternoon tea is to be served.

COMING HOME

When everybody else is thinking of heading Queensland way Trevor Jobling has decided Victoria is the place to be. He has been up north on business for several months and is due home this weekend.

YOUNG WIVES

On Tuesday, May 14, the Young Wives Group at St. Eanswythe's will hold their May meeting.

The Rev. H. A. Cairns, Chaplain to Kew Mental Hospital and the Children's Cottages, will speak to them on mental health. All ladies of the parish are invited to attend.

FIRE VICTIMS

Mr. Graham Burt and his wife (formerly Miss Joyce Henshall, Railway Street, Altona), were the victims of a fire which damaged a block of four flats in McKinnon last weekend.

Mr. and Mrs. Burt, who had been residing in one of the flats for six months, lost clothing wedding presents and furniture was damaged. The damage is estimated at approximately £300.

SEAHOLME SPORTS RESULTS

FOOTBALL
Altona 15.11, defeated Seaholme 1.2.8

Best players: B. Garde (best on ground), J. Walker, G. England, G. Jackson and B. Smith.

Goalkeeper: P. Ferguson.

BASKETBALL
Altona 11, defeated Seaholme 4.

Best players: Dorothy Scott and Shirley Greenshields.

Goal throwers: Janine Doherty and Susan Luxford, 2 each.

HOLIDAYS

Mr. and Mrs. Jack Layton of Maidstone Street, Altona, have been holidaying in Marysville.

Mr. and Mrs. L. H. Sutton, of North Altona, preferred Healesville for their holiday break.

Mr. and Mrs. Jack Andrews have just returned from two weeks spent in the Point Lonsdale, Queenscliff and Portarlington districts. With all the golf they played their handicap should be down now.

Mrs. Jess Monkhouse has returned home after a few days holiday in Adelaide.

Mr. and Mrs. Ron Kuch are spending two weeks holiday touring the Lithgow, Katoomba areas in New South Wales.

APPROACHING MARRIAGE

The marriage of Avis Jane, eldest daughter of Mr. and Mrs. W. Woolmer, 32 Grace Street, Laverton, to Donald Keith, second son of Mr. and Mrs. W. Owens, 20 Wedge Street, Werribee, will be celebrated at St. Thomas' Church of England, Werribee, at 3.30 p.m., on Saturday, May 11, followed by a reception at the Central Hotel.

ALTONA HIGH SCHOOL

Just to remind you that the next meeting of the Parents and Citizens Association of the Altona High School will be held on Friday, May 10, at 8 p.m.

It is the quarterly meeting to which all parents are invited and is followed by supper.

Mr. W. J. Storey, headmaster, will be making a report (as secretary of the Advisory Council) on the monies collected and future plans of the Advisory Council.

ALTONA EAST STATE SCHOOL

Members of the Altona East State School Mothers' Club have made lots of useful gifts, which are on sale today, May 9, at the school, so that children may buy a small gift for mother on her day.

The prices of the gifts are 1/-, 1/6, 1/9, 2/- and 2/6. All the gifts are well worth the money, having been carefully chosen to give value for money.

Any profits from the sale of these gifts will go to the Mothers' Club funds to provide extra amenities for the children.

The Mothers' Club meets on the second Wednesday of each month at 1.30 p.m. at the school.

MOTHER'S DAY STALL

The Seaholme State School Mothers' Club will be holding a stall for the children to buy a gift for mother for Mother's Day on Friday, May 10. Nothing is over 2/6.

It would be appreciated if any suitable gift was donated to help stock the stall.

ALTONA PRIMARY SCHOOL

A most enjoyable afternoon was held at the Altona Primary School on Wednesday, May 1, when Mrs. Kemp of Dalson Products Pty. Ltd., gave a talk and demonstration on the uses of T Fal cookware.

Mrs. Kemp also explained the uses of the many Dalson Household Hardware and Gadgets she had on display.

Many of these, although on the market, were unknown to some of the ladies present, and they found them very interesting.

Mrs. Elkins won the special effort for the afternoon.

NEW CATHOLIC CHURCH

The construction of a new £50,000 Catholic Church for Altona is to be commenced shortly.

The Rev. Father J. Nooney, P.P., said he hopes the Church which will seat 600 will be completed by the end of the year.

The Church has been planned for some time, but construction was delayed pending the demolition of an old house in McBain Street behind the Presbytery.

As soon as the tenants moved out of the house last week an energetic working bee of church members moved in and started wrecking the house.

The new Church will be on the land in Railway Street, next to the Presbytery and will go through to the McBain Street block.

ALTONA NORTH HIGH SCHOOL

On Wednesday, May 15, Altona North High School will present Gilbert & Sullivan's "Trial by Jury," and other items.

This concert will be held at the Williamstown Town Hall, and is to begin at 8 p.m.

Rehearsals for the play commenced early this year with an enthusiastic band of students under the guidance of Mr. Sheahan and Mr. Souter. At the moment, final adjustments are under way, costumes are being prepared, scenery being made—all in expectation of the coming event.

It is hoped that people in the district will support this concert. You can be assured of a thoroughly enjoyable evening.

Bookings may be made by contacting the school. However, tickets will be available on the night.

SENIOR RESULTS FROM SATURDAY

Altona Suffer
2nd. Defeat

NEWPORT v. ALTONA

After a hard game played in very windy conditions Newport beat Altona by 16 points.

	Newp.	Altona
1st Qr.	2 4 16	1 0 6
2nd Qr.	2 4 16	5 2 32
3rd Qr.	8 11 59	6 4 40
FINAL	9 11 65	7 8 50

On a windy day at Altona Jack Evans of Newport won the toss and elected to kick with the breeze.

Newport forced the ball down to their goal front repeatedly, but were strongly held by the Altona backmen. Although Newport were winning in the ruck through the viril play of Jack Evans, Altona were holding them well and it seemed as though Port did not make the best of the wind advantage. Harris and Richardson of Altona were once again starring. Hope of Newport was burning on the wing and Ackerly of Newport was holding the other wing.

In the second term Altona overcame the Newport back line. York and Sorrell of Altona were battling well against heavy odds in the ruck and Rowson (Altona) was playing well around the ground.

Jenkins (Newport) was giving good drive in the centre and Young (Newport) was moving strongly on the ball. There were many hard knocks and the game was beginning to become very willing. After a brilliant second quarter Altona had a good lead at half time.

Straight from the bounce at the beginning of the third term Newport attacked and goaled.

Shortly after this they repeated it again with a beautiful 60 yard goal from Evans, who was running riot all over the ground. Altona were now feeling their heavy losses in the ruck through injuries.

The physically stronger Newport were brushing Altona aside. Using big long kicks and sensible handball, they continued to pave a way to goal. Mario Piovesan was being hampered by Ken Withers of Newport. John Andress could not get on top of his opponent. At "orange time" Port had a substantial lead over Altona.

In the last quarter Altona had the job ahead of them and the game developed into a titanic struggle, with a few hot tempered incidents.

Altona got within a couple of goals only to see Jack Evans boot another beautiful goal to seal the match for Newport.

Best players: Newport.—J. Evans, G. Horner, T. Jenkins, J. Hope and N. Young. Altona: I. Harris, Richardson, C. Sorrell, Rowson and York. Goalkickers: Newport.—Stevenwright 3; Woodsell 2; Macknamara, Sartori, Evans and Jenkins, 1 each. Altona.—Rowson and Stephenson, 2 each; Combes, York, and M. Piovesan, 1 each.

Centrals Improve

METRO. FARM v. CENTRAL ALTONA

In a game, which most followers considered would be a "walkover" for Metro. Farm, Central Altona proved that with a little more experience, they could be a menace to many sides before the season has concluded.

	M. Farm	C. Alt.
1st Qr.	3 2 20	4 6 30
2nd Qr.	7 10 52	4 6 30
3rd Qr.	14 11 95	5 9 39
FINAL	19 13 127	8 11 59

With Farm slow in going for the ball, Central took the initiative early in the game. Trevilla was playing well on the half back line for Centrals and their captain, Trevean, was playing an inspiring game in the ruck.

At this stage Farm were finding it difficult to settle down and it was not until Farm's captain, John Martin, switched himself onto the ball that they began to improve.

The home side's experience began to tell as the game progressed and it was evident in the third quarter, when they

added seven goals, that they had at last found their feet. They kept their forward line open and played clever, systematic football.

Centrals found it hard to curb Farm's full forward Mick Craig, who was now in superb form. Craig added eight goals in the last half to give him a total of 10 for the game.

Best players: Metro. Farm.—Martin, Wigg, Craig, D. Cooney, and J. Cooney. Central Altona.—Trevilla, Trevean, Main, K. Murrell and Peatling.

Goalkickers: Metro. Farm.—Craig 10; Steinberg, Martin, 2 each; Wigg, Hart, Connelly, G. Pengelly and J. Cooney, 1 each. Central Altona.—Wallace, K. Murrell and Arnold, 2 each; Peatling and Main, 1 each.

WERRIBEE SOUTH IN EASY WIN

WERRIBEE SOUTH v. LAVERTON

Werribee South's captain, Tom Stoios, celebrated his 200th game when his side met Laverton at Chirnside Park last Saturday. This is a great milestone for any footballer to reach and to honour this occasion both sides formed a guard of honour as Tom ran on to the field.

	W. Sth.	L'ton
1st Qr.	3 7 25	0 3 3
2nd Qr.	11 13 79	0 7 7
3rd Qr.	13 17 95	1 10 16
FINAL	23 19 157	2 11 23

South's inaccuracy in the opening of the game apparent but as they settled down goals began to register with increasing consistency.

With Gouloupoulos and Macknamara controlling the ruck, South had the game in their keeping at half time.

But Laverton's defence, led by Ross Cheetham, were able to hold their opponents to two goals in the third term.

With combination between players, South are gradually moulding into a good side and will be ready for any team

that comes in the next few weeks.

Laverton were completely outclassed in this game but their young players must have given the loyal supporters great heart for the future by the way they fought this game out to the finish.

Best players: Werribee Sth.—Gouloupoulos, R. Dove, Tom Stoios, Bloomfield and O'Brien. Laverton.—Cheetham, Simpson, Jewell, Lyons and Grimes.

Goalkickers.—Werribee Sth.—T. Stoios 6; Fielder 5; Munyard, Gouloupoulos, 3 each; Bloomfield and Dent, 2 each; L. Allison and P. Allison, 1 each.

THIS WEEKS MATCHES

In the main game in the Werribee Football League at Soldier's Reserve, Werribee, on Saturday, Metro. Farm should hold their present position on the Ladder by defeating Werribee South.

Farm's captain, Johnny Martin, is giving them great drive from the centre, and with Graeme Wigg leading a very strong back line, Farm should prove that they deserve their position in the Four by inflicting South's second defeat for the season.

South is receiving a great boost each week from ruckman Andrew Gouloupoulos and with Tom Stoios teaming well as his rover could cause some headaches in the Farm camp before the game is over.

At Chirnside Park, Werribee, I.N.F. should defeat the unlucky Altona, in what should be an evenly fought contest.

One of Altona's strengths, their back line, should be

severely tested by the brilliant I.N.F. forwards Jim Townsing and Sam Pante. The highlight of the game should be the clash between Altona's Ian Harris and Jim Townsing.

Top team, Newport, will have no trouble in defeating Town Rovers at Newport on Saturday.

Newport skipper, Jack Evans should be able to curb the brilliance of Rover's ruckman Dingey to give Newport superiority in almost every position on the field.

Langshaw Reserve is the venue on Saturday, for the clash between Centrals and Laverton.

These sides are very evenly matched, but, because of their home ground advantage, the fanatical will to win their first game and the use of services of their juniors, Centrals should chalk up a win at their first appearance on their own ground.

I.N.F. TOO STRONG

I.N.F. v. WILLIAMSTOWN ROVERS

In a game that proved to be a one sided affair I.N.F. were able to experiment with their already brilliant forward line, and still go on to easily defeat Williamstown Rovers at Newport on Saturday.

	I.N.F.	Rovers
1st Qr.	5 11 41	0 1 1
2nd Qr.	8 15 63	1 4 10
3rd Qr.	14 26 110	1 5 11
FINAL	24 31 175	2 7 19

I.N.F. attacked constantly throughout this game and only through a strong defence, Williamstown Rovers might have been further behind early in the game.

Dingey was again proving to be Rover's best player in the ruck, whilst Jim Townsing was back at his usual

best in the goal mouth for the visitors.

In a devastating last quarter, in which they added 10 goals, I.N.F. were able to coast home easy winners.

Best players: I.N.F.—Townsing, Sutherland, H. Smith, W. Miller and Allen. Rovers: Dingey, Pitt, McIvor, Chamings and Smart.

Goalkickers: I.N.F.—Townsing 9; W. Miller, 4; Allen, H. Smith, and Dowling, 3; McKinley, 2. Rovers.—Dingey and Burridge, 1 each.

JUNIOR RESULTS FROM SUNDAY

Altona Wins Easily

ALTONA v. NEWPORT

Altona, with winning rucks and rovers, aided by the brilliant high marking of "Darby" Munro and Geoff Ewen, ran out easy winners against a small Newport side.

	Altona	Newp.
1st Qr.	5 1 31	0 0 0
2nd Qr.	13 8 86	1 0 6
3rd Qr.	20 16 136	2 0 12
FINAL	23 29 167	2 0 12

Altona's very strong backline held Newport scoreless for two quarters and only allowed a goal in the second and third quarters.

Alan Bartola played a good

game in the centre for Altona and created many opportunities.

Andrew Camelleri on the wing, and Bill Houghton, in the ruck, impressed in their first game with Altona.

Best players: Altona.—Munro, Hobbs, Clark and Bartola. Newport.—Bacon, Stewart and Shiell.

C.Y.M.S. WIN BY 43 pts.

I.N.F. v. WILLIAMSTOWN C.Y.M.S.

In a hard fought battle at Chirnside Park, Werribee, last Sunday Williamstown C.Y.M.S. were able to hold second position on the ladder, by defeating I.N.F.

	INF	CYMS
1st Qr.	0 0 0	4 6 30
2nd Qr.	0 2 2	6 8 44
3rd Qr.	0 3 3	6 13 49
FINAL	1 5 11	6 18 54

From the first bounce, Williamstown C.Y.M.S. ruckmen dominated the air and with strong defence they were able to establish a handy lead early in the game.

After the interval I.N.F. threw everything they had into the game, and with Burgess doing all the rugged work, I.N.F. were able to finish very strongly.

Town were still able to get the ball to their scoring zone but could not kick accurately. In the final term I.N.F.'s little brigade attacked continually, but the visitors were able to maintain their early lead, although many of their players will remember this game as a real "bruiser."

Best players: C.Y.M.S.—Wheatley, Moore, P. Vaughan, Reiger and R. McLean. I.N.F.—Richens, R. Reidy, M. O'Malley, Parker and Baxter. Goalkickers: C.Y.M.S.—Zamykal 3, Reiger 2, Gulliver 1. I.N.F.—Baxter 1.

Laverton Defeated Easily

WERRIBEE SOUTH v. LAVERTON

With a strong following division and a purposeful forward line Werribee South easily defeated Laverton at Laverton last Sunday.

	W. Sth.	L'ton
1st Qr.	5 2 32	0 0 0
2nd Qr.	5 4 34	2 0 12
3rd Qr.	13 10 88	3 0 18
FINAL	15 13 103	5 2 32

South started the match with the breeze at Laverton and immediately went into attack through the good play of Clayton and Phelan in the ruck and the good marking of Tyquin at full forward.

Keith Robertson, at centre half back, was repelling many attacks at his end of the ground, whilst Ken Parker (South) was doing likewise at the other end.

In the third quarter, South managed to kick eight goals

and this paved the way for a comfortable victory. Laverton's rover John Harnup was a heady little player for the home team and could prove a valuable acquisition to their senior squad in the years to come.

Best players: Werribee Sth.—Allison, Phelan, Tyquin, Macknamara, and I. McNaughton. Laverton.—Harnup, Jewell, Hamilton, Pyne and Sargent.

Goalkickers: Werribee Sth.—Tyquin 5, Cullen, Stuart and R. Edwards, 2 each; G. McNaughton, Macknamara, Phelan and W. Edwards, 1 each. Laverton.—Jackson and Rigney, 2 each, Toohey 1.

CENTRALS AGAIN

CENTRAL ALTONA v. WERRIBEE

Central Altona emerged as the outstanding side in the junior competition after a faultless display of teamwork and aerial supremacy in beating Werribee at Langshaw Reserve last Sunday.

	Cent. Alt.	W'bee
1st Qr.	8 3 51	1 2 8
2nd Qr.	17 7 109	1 2 8
3rd Qr.	26 16 172	2 2 14
FINAL	32 25 223	2 3 15

Centrals made captain Wallace, at centre half forward, their focal point and he capitalised on his opportunities with strong elusive play and kicked nine goals for the match.

Werribee could not match Central's backing up and physical strength all over the ground and it was only through the shifting of the Sheahan brothers, Gavin and Michael, to the full back

position and centre half back respectively that Werribee's defeat was not more crushing.

Gavin Sheahan's display was one to be seen to be believed and he must have gone back to Werribee with his left foot blistered from kicking the ball.

Best players: Central Altona.—E. Szatkowski, E. Wallace and J. Stumbras. Werribee.—G. Sheahan, M. Sheahan, O'Brien, Ware and Belin.

Goalkickers: Central Altona.—Wallace 9, Gathercole 8, Mercer 7. Werribee.—M. Sheahan and Cook, 1 each.

SENIOR LADDER

Following is the premierships ladder in percentage order—

Newport, I.N.F. and Metro. Farm, 8 points each; Werribee South and Laverton, 4; Altona, Central Altona and Williamstown Rovers, nil.
--

JUNIOR LADDER

Following is the premierships ladder in percentage order—

Central Altona, Williamstown C.Y.M.S. and Werribee South, 8 points each; Altona and Werribee, 4; I.N.F., Laverton and Newport, nil.

"STAR" GOAL KICKING AWARD SENIORS

Mercer (Cent. A.) 7	7
Peatling (Cent. A.) 0	5

WANTED — Fire Protection

The Metropolitan Fire Brigade covers Laverton north of Princes Highway, but NOT the area south and east of the Highway, said Mr. Jackson, a member of Laverton Progress Association. Mr. Jackson was replying to a query on fire protection for Laverton put forward by Mr. W. Devereaux at a meeting of the association held last Monday.

The Laverton area south and east of the Highway comes under No. 8 Fire Region of the Country Fire Authority and in this area there is no firestation of any type.

Werribee is No. 7 Fire Region of the C.F.A., Altona and Sunshine are under the Metropolitan Fire Brigades Board, and not one of these brigades is obliged to turn out for the Laverton area in No. 8 Fire Region.

But, said Mr. Jackson, Altona would turn out on a "manne basis."

Mr. Jackson, who lives in Linden Avenue, Laverton, pointed out the anomaly of the situation because for Altona or Sunshine brigades to reach the area covered by the M.F.B. they must pass his door which is in the area east of the Highway, which they are not obliged to protect.

He said residents in this unprotected area have to pay higher fire insurance, have no guarantee of fire protection and the Werribee Shire Council have done nothing about the situation.

Mr. Jackson said if Fleetwings Service Station catches fire no brigade is obliged to attend it, but they will turn out for any reason to P.R.A. who are lowering the safety angle.

He went on to say the brigades do not know the streets, let alone where the fire plugs are and letters to Werribee Shire Council on this matter have been unanswered.

Here the secretary, Mr. Monk, interjected to say no replies have been received to any letters written to the shire council in the past two months.

Mr. Jackson went on to say that the area serviced by the M.F.B. was large enough to have a pillar alarm system. In this area there were

DARTS CLUB

The Laverton Progress Association unanimously decided to offer to affiliate the darts club with the association.

It was also decided that the darts club be granted the use of the hall for home matches on alternate Friday nights. Also for practice games on Wednesday nights, subject to hiring of the hall. A nominal fee of 1/- per week will be charged for the first three months.

On behalf of the darts club Mr. Warren thanked the association for the offer and for expressing confidence in the club. He issued an open invitation to all Progress members to come along and barrack for the home team.

PLAY GROUNDS

If any resident of Laverton notices broken or damaged play ground equipment in the local Reserves would they please contact Mr. Jackson, Linden Avenue, Laverton, and he will arrange necessary repairs.

Mr. Jackson has also been appointed a Bailiff by Werribee Shire Council and has the authority to deal with larrikins and others mis-using the equipment.

TUPPERWARE PARTY

A tupperware party in aid of Scout funds will be held at the home of Mrs. Haig, 42 Elm Street, Laverton, on Friday, May 10, at 8 p.m. A cordial invitation is extended to any resident who wishes to attend.

TV FOR SCHOOL

The Parents Association of the Point Cook Primary School has purchased a television set for use in the school. The pupils will be able to view the A.B.C. Television Program for Schools.

approximately 500 students attending one school.

He also stated that the pillar hydrants in Laverton appeared unusable.

Standard replies received to past inquiries have been—"There haven't been any fires," and "The R.A.A.F. will turn out."

But while aircraft are in the air the R.A.A.F. Brigade is not allowed to leave the base.

Mr. Jackson then moved a motion that the association approach the chief officer of the M.F.B. with a request for an interview to discuss the problems associated with the fire protection of Laverton. Members readily agreed to this action being taken.

HORSE TROUBLE

We had the horse nuisance last year, got rid of it, but now we have it again said Mr. Devereaux to members present at the Laverton Progress Association.

He was referring to the horses being hired out to riders during the weekend and operating in the vicinity of Linden Avenue, and Railway Avenue, Laverton.

Mr. Devereaux asked that a letter be written to the Werribee Shire Council informing them of the return of the horses. Also to notify Miss Carter of the Prevention of Cruelty to Animals that the horses are there all day from 7 a.m. Saturday's without any water for drinking.

Mr. Jackson pointed out that the owners and the horses do not belong in the Werribee Shire and said we must get rid of them again, and the other members of the association agreed with him.

QUEEN OF PEACE MOTHERS' CLUB

Queen of Peace Mothers' Club met on Wednesday, May 1, which is now the meeting day—the first Wednesday of each month.

Again, the main business under discussion was the fete to be held on Saturday, June 29, at Queen of Peace Hall.

The number and types of stalls were discussed and it was decided to have fancy goods, cakes, sweets, drinks, produce and afternoon tea stalls. Ladies were appointed to supervise the stocking and staffing of each stall. It was also decided that if sufficient support is given in stocking the stalls there will be further selling in the evening.

Work is proceeding in earnest and any or all donations will be very gratefully received.

A box will be on hand at the school for donations, which may be sent at any time, or left on Sundays. Any saleable article will be accepted.

This fete is to be a "Maximum Effort" affair, as it is hoped the first major effort will be highly successful, so please don't just leave it to "someone" or "the next one," this is one way all can help, even if in the most humble way. No donation or assistance will be too small, just welcome.

The next meeting will be held on Wednesday, June 5, at 2 p.m. in the Queen of Peace Hall and new faces will be very welcome.

DOOR KNOCK

On next Sunday, May 12, a door knock in aid of the Royal Women's Hospital will be held in Laverton.

Cr. Gibson was elected by the Progress Association to represent it for the appeal.

If he requires any help he will contact members personally.

POLICE STATION QUERY

At the last meeting of the Progress Association Mr. W. Devereaux again raised the question of a police station for Laverton. Apparently the land has been reserved for the station but Mr. Devereaux asked that a letter be sent to the Chief Secretary's Department asking when it is planned to erect same. Members agreed to this suggestion.

LAVERTON GIRL GUIDES

On May 2, District Commissioner, Mrs. Frearson, enrolled Christine Schnieder as a Guide.

Anne Sytema, Elizabeth Hutchens, Sylvia Thomson, Teresa Curry and Kaye Clarke were welcomed in to the Company as new recruits.

Carlyn Nimmo, also a recruit, was brought up from the 1st Brownie Pack by Brown Owl.

It was very nice to see Mrs. Schnieder and Mrs. Nimmo at the Guide meeting.

Proficiency Badges were awarded to—

Sara Woolmer, Child Nurse. Erica Stobie, Homemaker, Needlewoman, Laundress.

Laurel Stobie, Needlewoman Homemaker and Child Nurse. Suzette Alexander, Cook.

Pat Brimble, Laundress and Child Nurse.

Jill Sewell, Cook and Child Nurse.

Joyce Robertson, Child Nurse.

A combined church parade of scouts and guides was held at the R.A.A.F. Chapel, on Sunday, May 5, to celebrate British Commonwealth Youth Sunday.

WATER WORRIES LAVERTON

"Do you know anything about the scheme proposed by Mr. Horsfall of the State Rivers and Water Supply for the use of the water from the Maribyrnong River to supplement the supply to western suburbs?" asked Mr. W. Devereaux at the Laverton Progress Association meeting.

He was addressing the association president, Cr. Gibson who replied in the negative.

Mr. Devereaux then handed Cr. Gibson a plan of the scheme and asked him to bring this serious matter up before the Werribee Shire Council and report back to the association.

LAVERTON GIRLS MARCHING ASSOCIATION

The annual meeting of the Laverton Girls Marching Association was held on Monday, May 6.

The following office bearers were elected for the ensuing term—

President, Mr. A. J. Morton; Vice-President, Mrs. V. Cook; Secretary, Mr. R. Allen; Assistant Secretary, Mrs. A. Morton; Treasurer, Mrs. B. Allen; Chief Chaperon, Mrs. J. Flaherty; Chief Instructor, Mrs. J. Morton; Publicity Officer, Mr. R. Unthank.

Instructors and Chaperons were appointed to the teams as follows—

The midget team, the "Winjeels," retain both their instructor and Chaperon in Mr. J. Jansen and Mrs. I. Unthank. Both have been of great assistance to this team and their efforts are really appreciated.

The "Wirraways," the other midget team, will continue under the instruction of Mr. R. Allen, who has trained them since their formation.

Mrs. L. Sivyver has been appointed as Chaperon for this team and the committee is pleased to gain her assistance.

The junior team, the "Adastras," are to be instructed by Mrs. V. Cook, who has been with this team since its inception, and ably Chaperoned by Mrs. B. Allen. Both these ladies are staunch workers for the association, and are both office bearers.

The "Squadronaires" will continue under the instruction of Mrs. J. Morton, who has been with them since February. New blood is welcomed into the team unit in their new Chaperon, Mrs. Hyland, who is looking forward to a happy association with these girls.

Many thanks are extended to Mrs. J. Flaherty, who was their Chaperon and constant companion over the past year. Mrs. Flaherty has been elevated to the position of Chief Chaperon, so will still be in close contact with her girls.

The "Adastras" are holding a street stall in Lohse Street on Saturday, May 11, and a good supply of home made cakes is expected.

The "Squadronaires" have planned a barbecue for Saturday, May 18, to be held at 5 Armstrong Street. They plan to cater for all club members by starting at 5 p.m. so that the midget and junior members and their friends can participate. From 8 until 11 p.m. the games and competitions will give way to dancing for the teenagers and their friends. They also hope for a good attendance as the money raised is to go to their representative in the association's Princess Contest.

The team members of the "Winjeels," "Adastras" and "Squadronaires" have nominated a Princess to represent each team and a friendly competition is being run to see which team can raise the most finance in a period of three months. The representative of the most successful team will be presented with a sash and crown at a social evening during June. The closing date for this contest is May 31, so all girls will be working extremely hard during the next few weeks. Unfortunately the "Wirraways" were formed too late for representation in the contest.

Long range plans for social activities include a family outing and picnic in September. The trip is to take in Fairyland and possible Bacchus Marsh.

Any person interested in joining this association is invited to contact the secretary, Mr. Ron Allen, 17 Williams Road, Laverton.

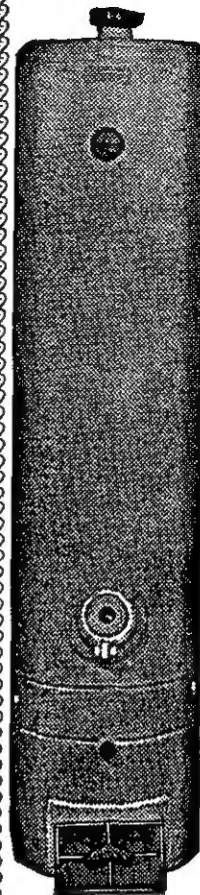

LAVERTON SCOUTS

The annual meeting of parents of Laverton Scouts will be held on Monday, May 13 at 7.30 p.m. in the Scout Hall. All parents of scouts are urged to attend.

ALTONA DART LEAGUE NOTES

COUNCIL SINKS THE YACHT

After their shock defeat of the Yacht Club Hotel last Friday night, Altona Council must be considered favourites for the premiership this season.

DIVISION 1 RESULTS

Altona Council 6, defeated Yacht Club Hotel 3.
Godrich 5, defeated The A.W.M.C. (1) 4.
Altona Darts 6, defeated A.W.M.C. (2) 3.
Union Carbide 6, defeated Cheetham Social Club 3.
Bristol Hotel had the bye.
Premiership positions are as follows—

Union Carbide and Altona Council, 28 points each; Bristol Hotel, 24; Altona Darts and Yacht Club Hotel, 20; Godrich, 16; A.W.M.C. (1) A.W.M.C. (2), and Cheetham Social Club 8.

THIS WEEK'S GAMES

This week's games (with likely winners in black capitals) are—

ALTONA COUNCIL v. Bristol Hotel. GOODRICH v. Yacht Club Hotel. ALTONA DARTS v. A.W.M.C. (1). CHEETHAM v. A.W.M.C. (2). Union Carbide have the bye.

DIVISION 2 RESULTS

After the third home and home games the Crown Jewels have left no doubt that they are the top team on this Division, closely followed by the Williamstown Hostel.

Albright & Wilson suffered their first defeat and Carbon Black notched their first win. Crown Jewels 7, defeated Ad Astra 2.

Williamstown Hostel 5, defeated Albright & Wilson 4. Carbon Black 6, defeated Yacht Club Hotel 3.

Premiership positions are as follows—
Crown Jewels and Williams-

ALTONA TENNIS CLUB NEWS

Matches for Saturday and Sunday, May 11 and 12 are as follows—

SATURDAY

L. Findlay-J. Burke v. G. Butterworth-L. Hutton at 3 p.m.

SUNDAY

10.30 a.m.: P. Trickey v. T. Smith.

11 a.m.: M. Harrington-G. Cronin v. winner of Saturday's 3 p.m. match.

2 p.m.: R. Graham v. C. Trickey.

3 p.m.: M. Harrington v. the winner of the 10.30 a.m. match.

oOo

ALTONA LADIES HOCKEY CLUB

C Grade played Essendon at home and managed to bring the game to a draw, 3 goals each.

Goal scorers: U. Smith 2, Z. Pripic 1.

Best players: B. Golacki and R. Hayes.

D Grade had a bye.

THIS WEEK'S GAMES

C Grade v. Williamstown at Royal Park 2.

D Grade v. Sunshine at Royal Park 6.

Both matches begin at 1 p.m.

oOo

ALTONA HOCKEY CLUB NEWS

A GRADE, playing an even game against University, lacked system on the forward line, although inability to convert excellent passes from the right wing.

It took them until well into the second half of the game to score, but this is no good coming from an A Grade team. The next game against M.C.C. is a must for this team if they expect to get anywhere this season, as they are still on the bottom.

Scores: University 2 defeated Altona 1.

Best players: A. Baillie, R. Carruthers.

Goal scorer: R. Smith.

B GRADE played as a team and were soon into attack with good close play which resulted in well earned goals.

University, lacking position play, were soon changing positions to counteract the Altona forwards from scoring. Half time scores: Altona 5, University 0.

In the second half, with University using the body freely, Altona were held scoreless for the rest of the game.

Final scores: Altona 5, defeated University 0.

Best players: K. Burgess, J. Gardner and R. Turner.

Goal scorers: K. Burgess 4, W. Davis 1.

C GRADE.—Altona opened up with system and good play which payed off with A. Docker netting the ball in the early minutes of play.

Soon after this the game slowed down as the early pace found out the unfit players.

S. Hyale scored the second goal as the bell sounded full time, to give Altona good 2-0 victory.

Best players: J. Bartlett, P. Gadsden and P. Hunter.

Goal scorers: A. Docker, S. Hyde.

UNDER 13.—These boys were defeated 4-0 in an interesting game at Kew.

The local boys gave a good display against their more experienced opponents and their many supporters can expect this team to make their impression on Victorian hockey in the near future.

Best players: Alan Challis, Colin White and Brian Antonoff.

THIS WEEK'S GAMES

A Grade v. M.C.C. away at 3.30 p.m.

B Grade v. Footscray away at 1.45 p.m.

C Grade at home at 3.30 p.m.

Under 15 v. M.C.C. away at 10.30 a.m.

Under 13 at home at 9.30 a.m.

HONOR FOR MR. FORD

The Altona Hockey Club is proud to announce that Mr. Ron Ford, coach of the junior players, has been appointed manager of the Victorian Junior Team to visit Tasmania in September to compete in the Australian Championships. The club wishes Ron every success in this venture.

oOo

KOORINGAL GOLF

Saturday's Stroke results are as follows—

A Grade: F. Cahill (8), net 78.

B Grade: J. Clifford (17), net 69.

C Grade: J. Bergin (22), net 67.

The Monthly Medal was won by J. Bergin.

Sunday's Bogey Competition resulted in F. Heasley 5 up, winning from L. Moore 1 up, and J. Young 1 up.

Associates Stableford re-

WEST NEWPORT BASEBALL CLUB NOTES

The A Team last week, playing at home, were defeated 9-1 by Northcote. West Newport lost to much better batting in Northcote, who scored eight of their nine runs through three home runs.

A highlight of the game was the triple play by Alan White, George Miller and Kevin Michael for West Newport.

Batting and fielding will have to improve if the team is to have a place in this year's finals.

John Wildsmith, Victorian Sheffield Shield cricketer, hit two home runs and was responsible for seven of the runs scored by Northcote.

Kevin Michael was the only West Newport batter to get on top of relatively easy pitching by Wildsmith, who was inclined to throw wildly now and then.

John Armstrong played well at third bag and has been quite an impressive debut in his two games so far this season.

Best players: Kevin Michael, John Armstrong and Jimmy Michael.

Safe hits: Kevin Michael 2.

B TEAM

The B Team played Newport Baptists at Spotswood and won 11-8.

Alec Parker pitched extremely well to Alan Boxshall and proved too strong for the opposing side. The fielding was good with only two errors.

West Newport were never troubled at any time to hold their lead and ran out easy winners.

Best players: Alec Parker, Duncan Swallow and Don Mackay.

Safe hits: Parker, Swallow and Toskas, 3 each; Don Mackay and Ray Scott, 2 each; Boxshall, Barr and O'Connor, 1 each.

JUNIORS

The Juniors played at home and beat Brunswick 5-4 to give them their first win for the season.

West Newport combined much better and on the fielding side Terry Forrester pitched well to D. Henderson striking out 11 batters.

On the batting side there is still a need for improvement. If batting improves the Juniors will do very well this season.

Safe hit: D. Henderson.

Best players: D. Henderson, T. Forrester and J. Little.

THIS WEEK'S GAMES

The A Team are to play Carlton at the Gateley Street, Royal Park, ground, at 12.30 p.m.

The B Team will meet Buckley Park at Loft Reserve West Newport, at 12.30 p.m.

The Juniors play Williams town at Loft Reserve, West Newport, at 9.30 a.m.

sulted in Miss McDiven winning with 38 points.

The highlight of the week end was W. Anderson's Hole in-One on the eighth hole. Congratulations to Bill.

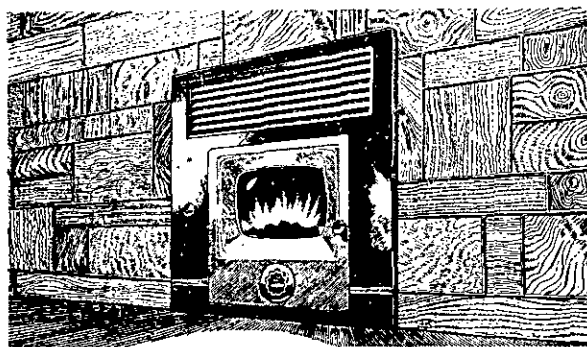

Pennant results saw the seniors defeat Waverley 6-1. The juniors, after another close, tussle, were defeated 3-2 by Medway.

Next week's coming event are pennant games on Saturday.

Seniors v. Royal Park at home, and Juniors v. Corn monwealth away.

Next Sunday is Mixed Four somes Day.

ALTONA HIGH SCHOOL

Altona High School in Civic Parade was officially opened on April 12, 1962 by the Hon. J. S. Bloomfield, Minister of Education. It was actually functioning as a school in February, 1959. In the intervening period we have a record of perseverance and achievement under adverse conditions. The building addition now in progress will provide sufficient accommodation for the foreseeable future.

In November, 1958, the present site of the school in Civic Parade (then Nellie Street) was acquired. Mr. G. H. Price B.A., Dip.E., T.P.T.C., was appointed headmaster of the then non-existent school.

In December, 130 parents of prospective pupils met to discuss plans.

In February, 1959, the school was opened by using several widely separated halls. The first scholars were pupils transferred from Grade VI, West Newport, Altona and Maholme Primary Schools.

Part were accommodated in Newport Baptist Church hall, others in the Scout Hall and the Tennis Pavilion in Grant Reserve. Later, use was made of Altona Baptist Church Hall. Mr. Price, with a staff of four and 184 pupils had a difficult task. There were no desks. Tressles and forms only were available. The only time the school could get together was at sports meetings. Increases in staff made conditions a little more tolerable.

The buildings stage 1 and 2 were commenced in September, 1959. They were uncompleted when the school moved in, in February, 1960. There were now 305 pupils. There was no electricity, heating, sewerage or bike racks or a canteen.

1960 was a year of turmoil. Building operations were still in progress. Wet conditions prevailed. There was often a sea of water round the school. At one stage the entry was a thin strip of concrete between the waters. Some fell in. Operation Concrete is still remembered by the men-folk. During the wet, when time was the essence of the contract, they came to the rescue with planks and wheelbarrows transporting the ready-made concrete for the canteen floor. When stage 1 and 2 were completed for some time Altona North High was also accommodated.

1961 was largely a time of consolidation prior to the official opening in 1962. At present the school is rather congested, several special rooms being used as class rooms.

With the completion of stage 3 in its extended form these problems will be overcome.

Altona High School is Class 1 Status. Enrolment is approximately 500 (280 girls, and 220 boys). There is a staff of 25 under headmaster Mr. W. J. Storey, D.F.C., B.A., Dip.E., senior master Mr. H. Sheeran, and senior mistress Mrs. V. M. Gibson.

The present standard is Form V. School Leaving Certificate for pupils moving on to a professional career. It has not yet been announced whether Form VI. (Matriculation) will be established next year. For those requiring apprenticeship a proficiency certificate standard is reached in Form III.

Up to that form included the required subjects are mechanical drawing and woodwork for boys, and domestic science and needlework for girls. When the present abnormal conditions are overcome, the school will have its full quota of class and special rooms. These include a music room, history, geography, commercial, projection room, mathematics, French, two science rooms and a library.

An Advisory Council of 10 including five nominated and five elected members aids in school administration. The first meeting was held in February, 1960.

The nominated members represent area interests and include—

Mr. Herbert, President (Trade); Mr. I. Johnson, Treasurer (Banking); Mr. W. J. Storey, Secretary; Dr. Frajman, (Medical); Mr. W. E. Arnold and Mr. Skipworth, (Industry).

The elected members are—

Messrs. R. Dawes, I. W. Farthing, W. P. Grant, D. E. Harris and B. W. Loft.

There are also two council representatives, Cr. G. den Dulk, Altona, and Cr. A. Knight, Williamstown.

The council administers funds raised locally together with Government subsidy, generally on a £1 for £1 basis.

The contributions from the Mothers' Club and the Parents' and Citizens' have enabled the council in the space of three years to add an imposing list of items to the school equipment. It includes—

A 16 m.m. movie projector, a slide projector, a tape recorder, a record player, two electric gramophones, a tachistoscope, a bench drill, a reading rate controller, bike racks, seating and a lounge-staff room.

Enough backed seating has been acquired to enable the whole school to be seated at an assembly. The seats of course are available to students at recreation or meal-times.

In March, 1959, the Mothers' Club was formed with Mrs. Sloan as the first president. It was early decided that in view of the comparative isolation of the school to concentrate all fund raising efforts towards the building of a canteen. This was ultimately opened free of debt at a cost of £814. Apart from being a great convenience to students, who pay ruling prices, the profits have been a satisfactory source of revenue. A roster of Mothers' Club members operate the canteen.

Other avenues of raising funds such as fetes &c. have not been neglected. The present officers are—

President, Mrs. Marr; Secretary, Mrs. Neale, Treasurer, Mrs. Weedon.

In March, 1959, the Parents' and Citizens' Association was also formed. Mr. Skipworth was the first president. This body meets monthly and each quarter the headmaster reports on school progress. Practical assistance is given when required. The Parents and Citizens have a fine record of service. It is now proposed to increase its interests in having two or three school nights each year, when members can examine classrooms, work done and meet the headmaster and the staff.

Present officers are— President, Mr. E. Bertram; Secretary, Mrs. G. Winfield; Treasurer, Mrs. D. Shields.

School Houses are named Keera, Batman, Paterson and Tooronga, after tugs operating in the Bay. The idea was adopted on the suggestion of one of the pupils. The school is proud of pennants and pictures of the tugs presented to the school by the tug owners. Two of the captains appointed in 1959 still hold their positions, Terry Fogarty of Paterson, and Alan Skipworth of Tooronga.

Tooronga were leaders in 1959, Paterson led in 1960, 1961 and 1962.

The school uniform is light green and sea green and rust for girls and grey trousers and green jumpers for boys.

Since 1961 a prefect system with prefects elected by the students has operated.

Sport takes its fitting part in the life of the school. Participation in a district High School competition enables students of both sexes to have full outlets for their need for competitive past-times.

Religious training to an approved syllabus is regularly maintained by local church bodies. In the first year Mrs. Whitehurst, a teacher, commenced a Christian Fellowship but on her departure the group lapsed.

The school grounds seem more than sufficient. With continuous building operations there has been little opportunity to improve the area. Parents and Citizens with the assistance of the pupils have built garden beds alongside the schoolrooms. More could be done with the frontage to Grieve Highway and Civic Parade, adjacent to the school. The grounds are low-lying and present a problem that will not be easily or cheaply solved.

The school buildings today exemplify the standards of efficiency and economy of the Education Department.

Within these buildings the headmaster and staff are endeavouring to lead the students to an education which will qualify them not only for a trade or profession, but to citizenship and the fullest appreciation of life.

In the past with the much appreciated aid of the Advisory Council, Mothers' Club and Parents and Citizens they have overcome many difficulties. In the field of education complacency is not desirable but if the same co-operative spirit continues Altona High School will remain worthy of its pioneers.

YOUTH CLUB NEWS

Last Monday night, May 6, Art Classes, under the instruction of Mr. G. Bailos, and a Craft Class under the instruction of Mrs. A. M. Brown, were conducted at the Youth Centre. They will continue each Monday between 6.30 and 8.30 p.m. The age limit is 9 years and over.

Miss Irene Williams and Miss Fay Gathercole are attending a Gymnasium Course at the Headquarters of the Victorian Association of Youth Clubs in Melbourne, and Mr. W. Hodgson, Club Leader, is to attend a Senior Leaders' Camp at King Lake Youth Camp during May.

CUBS AND SCOUTS

Last Saturday 1st Altona, along with other scouts of the district, took part in the District Annual Field Day at the "Pines Camp."

This is the first time our boys have entered this contest, so are to be congratulated on gaining third place. All activities on the afternoon were aptitude tests.

These included making and erecting a flag-pole, breaking the flag, knotting relay, tent pitching, fire lighting and billy-boiling, constructing a triangle from saplings and having a "chariot-race" with same.

Winners of the day were 1st Footscray. These boys put on a wonderful display. Second was 6th Footscray, with 1st Altona third. Your scouts say "Well done, boys."

On such a cold day the hot dogs and refreshments served by the social committee were appreciated by all.

To sum up, a good days fun and activities was enjoyed by both boys and scouts.

Y.C.W. FOOTBALL

Results from Saturday, April 27, are as follows— Moonee Ponds 4.14.1, defeated Altona 3.8.26.

Goal kicker: I. Roberts 3. Best players: Bob Houghton, I. Roberts and F. Karpinski.

The Under 17 team has withdrawn from the competition because of lack of support.

ALTONA HIGH SCHOOL NEWS

On May 2 Form V. students of the Altona High School went on a geography excursion to the Werribee Experimental Farm.

CAN YOU SING?

Following on the successful performance of "The Messiah" in Williamstown, a meeting is to be held of people interested in reforming the Williamstown Choral Society.

The meeting will be in St. Stephen's Presbyterian Hall, Melbourne Road, North Williamstown, on Monday, May 13, at 8 p.m.

This is an opportunity to spend an enjoyable evening and also do your city a service.

LABOR VIEWS

(This article has been contributed by the Central Executive of the Australian Labor Party.)

Within the next 12 months, Ballarat will be faced with finding employment for 100 employees at the I.C.I. Ammonia Plant. The State A.L.P. Leader, the Hon. Clive Stoneham, M.L.A., drew attention to this fact in the State Parliament last week. And for his trouble was savagely attacked by the Liberal member for Ballarat South, Mr. G. L. Scott.

Mr. Scott said that he should "Stop poking his nose into our business" as the people of Ballarat were "Safeguarded by their four Parliamentary representatives who form a Liberal team."

Mr. Scott also made the remarkable claim that he would find work for the 100 men so dismissed because of the closure of the plant. He asserted: "No local member is worth his job if he cannot place 100 men in employment in 12 months."

In that case, Mr. Scott should resign immediately, as he failed to do precisely this over the past few years. If he and his Liberal colleagues care to look at the official unemployment figures for Ballarat he will find that the number of their constituents in receipt of unemployment benefit has remained at 300 for several years.

The plight of the unemployed worker in Ballarat has consistently been raised by the Trades and Labor Council.

But Mr. Scott criticised that body for daring to show any interest in that subject. Of course, he did not condemn the Ballarat Good Neighbour Council for doing precisely the same thing. They have expressed their concern over the unemployed situation because of the effect it has on migrants from overseas.

Mr. Scott well knows that there is no immediate prospect of finding alternative employment for the 100 men to be dismissed.

True, there is the possibility of some finding work in the paper mills but this is very long term. Furthermore, will these men be given any priority over the 300 who have been existing on the dole for so long? And what about those dismissed last week from the textile mills?

Perhaps it is the intention of Mr. Scott to seek the aid of the Federal L.C.P. Member, Mr. Erwin, in soliciting the assistance of the Federal Minister for Labour and National Service. Mr. McMahon boasted this week that "Victorian employees would soon be able to pick and choose where they worked."

Did Mr. McMahon mean Ballarat? Or did he mean that those not able to find alternative employment would have to move elsewhere, possibly into the metropolitan area.

If this does happen, and it seems likely in spite of the bragging of Messrs. Scott and McMahon, it strikes at the very principle of decentralisation. It will mean a further deterioration in the position of country towns throughout Victoria.

What Mr. Scott overlooks is that the closing of secondary industry in any country is of the utmost concern to everyone.

He blandly tells the State Labor Leader to stay out of Ballarat. It's not his concern, proclaims Mr. Scott. Apparently, Mr. Scott is unable to recall recent history. If he did he would know that unemployment anywhere is a threat to employment everywhere. The closure of a single country industry cannot be viewed in isolation.

The firm concerned has maintained the closest possible co-operation with the Ballarat Trades and Labor Council.

Does Mr. Scott? No. He condemns the entire trade union movement for trying to find alternative work for the men involved.

Mr. Scott proclaims: "I can do it." Within 12 months there will be another State general election. That is his own time limit to find employment for the 100 men. His words are worth repeating: "No local member is worth his job if he cannot place 100 men in employment in 12 months."

If any one of the men to be dismissed from the I.C.I. plant is out of work by May, 1964, it can be expected that Mr. Scott will not seek reelection to the State Parliament. (Of course, he should not be there now as there are 300 men still looking for work.)

Stole Tricycle

Noel Barry McDonald Johnston, bread carter, of 100 Ballarat Street, Maidstone, was charged with stealing one tricycle valued at £5, the property of Stella Martin, on March 6, 1963. He pleaded guilty.

Const. D. Wiltshire, of Altona, said on March 27, 1963, he went to a house at Queen Street, Altona. He spoke to the occupier of the house and waited there until 12.15 p.m. Defendant pulled up in a bread cart and delivered bread to the house, and he asked him if he delivered the bread the day before.

Johnston said he did and was asked to accompany him to the Police Station. He asked why, and was then asked if he took a tricycle the day before. Johnston said he had it at home, it had been lying there for quite a while and he thought they didn't want it, so he put it in his bread van and took it home. He returned the tricycle.

Johnstone admitted a previous conviction and was fined £5 in default seven days.

£20 FINE AFTER ACCIDENT

Harry Alexander Young, of Crawford Street, Newport, was fined £20 with £2 costs and his licence suspended for 3 months for making a right hand turn when unsafe to do so.

Jerry Nokasie, of Findlay Street, Yarraville, said he was driving his father's car in Blyth Street, Altona, at about 20 m.p.h., and just before Bent Street saw a car make a right-hand turn into Bent Street in front of him. He put his brakes on but they collided. He saw no signal given by the other car.

First Const. J. Locke said on January 15, 1963, he attended an accident outside the Police Station. Defendant said he looked but could see nothing coming. He was told Const. Locke was 60 feet behind him and saw him suddenly turn without giving any signal.

UNDERWEIGHT BREAD

Bruno Lubaszewski, of 310 Blackshaws Road, Altona North, was fined £10 with 5/- costs for selling bread not of the prescribed weight.

Mr. J. Mellors, Altona Inspector of Weight and Measures, said he went to the shop on December 9, 1962, a Sunday and first tested the scales and then weighed Vienna bread. He tested 10 loaves and found a deficiency.

George F. and Merle Smith, of 312B Blackshaws Road, Altona North, were charged with selling bread not of the prescribed weight on December 9, 1962.

Merle Smith was, fined with 5/- costs, but a summons was made out to George F. and not George F. Smith, that case was dismissed.

Christopher Ritchie, of 65 The Circle, Altona East, was fined £1 with 5/- costs for selling bread not of the prescribed weight on December 9, 1962.

Ritchie told the Court that as soon as the Inspector weighed the bread he returned it to the baker and since then has had no Sunday bread. The Act says sale means if the bread is in the possession for sale or on display.

John Sykes, of Sandringham formerly of 19 Somers Park Altona, was fined £7 with 5/- costs for selling bread not of the prescribed weight on December 9, 1962. He was represented by Mr. Cook.

MARCHING WITH THE GIRLS

West Newport girls are having another paper drive this Sunday and will be calling on homes, mainly in Market Street, Mason Street and Challis Street area. The club appeals to householders who have old newspapers, phone books, bottles, &c., to spare, to help the girls in their efforts to raise finance.

Altona association still requires new girls of all ages to supplement their new teams. Contact Mr. Brown or Mr. Harvey at the Youth Club, or on any fine Saturday afternoons at the Blyth Street Primary School if you are interested.

Mr. A. G. Parker of Williamstown has been appointed president of the newly formed judges' panel for the metropolitan area. This panel will greatly assist the movement by providing more uniformity in methods of judging.

The 1964 National Championships are to be held in Adelaide next Easter. It is expected that an even greater number of Victorian teams will endeavour to qualify and participate in this big event next season.

Competition marching for this season is now almost at an end and only one major contest remains to be decided. This will be held at Mildura over the Queen's Birthday weekend.

To outfit and equip each team of girls costs in the vicinity of £150 more or less

depending upon the grade of material. Uniforms are mostly supplied free to members—hence the constant battle to raise funds.

TABLE TENNIS NEWS

There were several close matches in A Grade in the first round of the winter pennant. Altona, last season's premiers, won narrowly from Esplanade 3-2. Footscray defeated Footscray City Council 3-2. A.G.M. won from Seaguss 3-2, and Maidstone 4, defeated Williamstown 1.

In A Reserve the teams, so far, do not appear evenly matched. A.G.M. won easily from Bulldogs 5-0. Seagulls defeated Kingsville 5-0, and Altona Petrochemicals beat Albright & Wilson 5-0.

The D.L.P. Says

The news of last week made it clear that events in South East Asia are fast moving towards the stage when we in Australia must take urgent steps to ensure our own survival.

In South Vietnam the government in Saigon is engaged in a war with the infiltrating Red Vietcong guerrillas. In Laos the Reds have turned on "neutralist" Kong Le and he appears to be close to defeat. In Indonesia the Communists are working openly in a struggle for support and power.

The entry of Indonesia into West New Guinea has caused many people to ask, "What is being done to provide and adequate defence system for Australia?" Obviously, the position at present is that Australia is not able to engage in any kind of military operation and consequently our reaction to any further territorial claims by Indonesia will be of little importance, unless the Menzies Government is prepared to build our defences, by at least doubling the present annual amount being spent on defence.

This defence vote provides little more than enough to provide maintenance, food and clothing for the services. The British spend 7% of the gross national income on defence. The United States of America spends 11%. Australia spends 2.8%.

It is up to the Government to increase the defence vote in order to give Australia a reasonable defence system so that both our enemies and allies will know that we can look after ourselves. The Opposition has adopted two defence policies which give rise to grave disquiet.

One of these policies includes the suggestion that S.E.A.T.O. should be replaced by a "cultural program" to improve our relations with Asia. The other proposes a "nuclear free zone in the Southern Hemisphere," a policy which would deny nuclear defence to Australia, but would allow nuclear weapons to Red China and a large part of Indonesia, because their territories are situated in the Northern Hemisphere.

ALTONA EAST STATE SCHOOL

ALTONA EAST WINS FIRST FOOTBALL MATCH

The Altona East Football teams (firsts and seconds) made history last Thursday when they won for the first time, defeating the strong Newport West teams.

The firsts, capably led by captain Derek Hendry, and vice-captain Vlada Jovanovic, saw out a thrilling match to defeat Newport West by three points—2.4.16 to 2.1.13.

Best players: D. Hendry, G. Dilderats, V. Jovanovic, S. Bensch, G. Smoult and H. Wennig.

Goalkickers: D. Hendry and G. Dilderats, 1 each.

The seconds played very good football with an easy win over their opponents—6.7.43 to 2.2.14.

Best players: T. de Michele, R. Seltz, J. Sabo, G. Hartmann, Z. Jacovic, D. Florentino and J. Cassar.

Goalkickers: T. de Michele, 5; T. Haass, 1.

BASKETBALL

In the two basketball matches played, Newport West were far too strong, winning quite comfortably in both firsts and seconds.

Firsts: Newport West 27, defeated Altona East 3. Best players: C. Jekic, S. McMinn and S. Wujow.

Goals: S. McMinn, 2; S. Wujow, 1.

Seconds: Newport West 19, defeated Altona East 2.

Best players: C. Gialamatis, P. Sakala and R. Borg. Goals: E. Munter, 2.

The Democratic Labor Party gives complete approval to regional pacts and agreements such as A.N.Z.-U.S. and S.E.A.T.O. because they are the only effective defence organizations upon which Australia can rely.

At the same time Australia should accept a fair share of military commitments and make the maximum possible contribution to its own and regional defence.

T. W. LEONARD, Press Correspondent, Altona Branch, D.L.P.

Local Labor

Just prior to Easter I placed an article in this newspaper dealing with socialism, since then I have had a number of inquiries as to just what socialism is. I will attempt in this article, and if needs be, in following articles to explain the meaning of this much discussed but little understood subject.

Firstly, Socialism is that Social Order in which the working class and its allies will replace capitalism. It is that Social Order in which the exploitation of man by man for private gain has ended because all the people own all the means of production, and who, in partnership with the primary producers (the farmers) achieve a planned and stable economy, with a continuously rising standard of living for everyone.

When socialism is achieved, its myriad advantages will become a reality, for the first time in history since the time of Adam and Eve, man will be free from economic insecurity, we will be guaranteed the right to work. We will be guaranteed a wage upon which we can support our families in comfort and dignity. We will be freed of the high cost of educating our children, and of the tremendous burden which even a slight illness entails, for even if we become ill, our treatment will be free and our families will not go hungry for our wage will be guaranteed by the State.

With the increased distribution of the National income on a socialist basis, all people will be able to afford to do the things which now are out of reach of the ordinary working people.

There will also be more time to enjoy these things. But some will ask, "Where will the extra time come from?" The extra time will come from the fact of full employment, as the population grows and as the means of production are improved (e.g. automation) the time be continuously employed.

Some again may say this is totally impossible but already in America some sections of industry notably the electricians in New York have won not 35 hours per week as we here are fighting for, but 25 hours per week, for a wage of \$125 (£62A) we must remember this was not granted, but won after a long and bitter struggle.

These are but some of the benefits to be gained under

socialism. It only remains for the people of Australia to think of these things, desire them, and not be led astray by those who, for their own selfish ends, try to brand every progressive move towards the realization of this most worthy goal as a "Communist inspired trick." These people who ridicule anyone with foresight to see the coming of socialism as inevitable, as guilty of the worst kind of treachery and rank with the Quislings &c. who collaborate with Nazi Germany in Europe and sold out their own people just as Judas sold Christ.

A. J. ROBINSON, Public Relations Officer, Altona Branch Australian Labor Party oOo

LIFESAVING CLUB

Members are reminded that training has started on certain nights of the week. Nights and times are as follows—

MONDAY, 6.30 to 7.30 p.m. Junior Boys and Girls. 7.30 to 8.30 p.m.: Senior Girls.

R. Combes	1
I. Harris	1

WERRIBEE SOUTH FOOTBALL CLUB

Congratulations to E. Fielder on reaching his half century of games. The way he played on Saturday indicates that he is set for a good season.

I.N.F. FOOTBALL CLUB

All club members and officials were shocked at the death of one of the clubs most staunch followers, Mr. Tom O'Malley.

Mr. O'Malley is the father of present committeeman and former player, Fred, and a grandfather of three current players.

Two minutes silence was observed by players of both sides prior to the commencement of the game against Williamstown Rovers last Saturday.

CENTRAL ALTONA FOOTBALL CLUB

As from next Saturday Central Altona Football Club intends to field the strongest side possible from the junior and senior teams. The club advises senior players to look to their laurels, otherwise some of these junior boys will be taking their place in the senior team.

Several League stars viewed the game on Sunday and suggested they have never seen a better under 18 combination fielded.

Many patrons are looking forward to the next social evening on May 18 and we suggest you take note of this date and come along and enjoy yourselves and meet the boys of the local team at the North Altona Youth Hall on that night.

SHIRE OF ALTONA

LOAN No. 33—£27,500 Special Order to be Made. Notice is hereby given that at a meeting on April 30, 1963, the council resolved—

"THAT the council make a special order to borrow the sum of £27,500 from the Commonwealth Savings Bank of Australia upon the credit of the municipal revenues of the president, councillors and ratepayers of the said shire, by the grant of a mortgage under the provisions of the Local Government Act 1958.

1. The maximum rate of interest that may be paid is £5 10s. per centum per annum.
2. The purpose for which the loan is to be applied is— (a) Council Depot, Civic Parade, £9,000; (b) Road Works—McIntosh Road, £5,750; Wren Street, £6,750—£12,500; (c) Drainage Works, £6,000.
3. The period of the loan shall be fifteen years.
4. The moneys borrowed shall be repayable by providing out of the municipal fund 30 half-yearly instalments of approximately £1,358/1/6 each including principle and interest, on the first day of June and the first day of December during the currency of the loan. The first instalment shall be payable on the first day of December, 1963.
5. Such moneys shall be repayable at the Commonwealth Banking Corporation, Melbourne.

and further that the confirmation of this Order by made an Order of the Day for the council meeting to be held on May 28, 1963."

JAMES W. WATERS, Shire Secretary.

SPASTIC CENTRE SEEKS LAND

"The Chis-lon Centre is rapidly filling and it is anticipated that within a few years we will have to turn children away. This is something we want to avoid, and it is felt that we should start making provision for the future now."

This is the opinion expressed by the Chis-lon Spastic Children's Centre, Seddon, in a letter to the Altona Shire Council.

The centre was applying to the council for lease of a council owned block of land in the Shire of Altona, for the purpose of building in the future a Spastic Centre for the Children of Altona and district.

"I always feel lenient to the Spastic Centre, not only for their work towards Altona children, but for what they have achieved in other municipalities," said Cr. G. den Dulk.

"Unfortunately, as our population increases there will also be an increase in the number of spastic children," said Cr. den Dulk. "the council must give their utmost co-operation."

He said they could go a step further and allocate the land, but firstly he suggested the council write to the appropriate Government Department telling them of the request for land and ask what subsidy the council would receive if Altona supported a centre in this shire.

He further stated that these children should receive some benefit from the Education Department.

The cost of educating a normal child is borne by the Department and they should contribute towards the cost of teaching spastic children. Council agreed to Cr. den Dulk's suggestion.
